PROCLAMATION, BY JOHN ANTHONY QUITMAN, GOVERNOR OF THE STATE

And whereas, By recent acts of Congress, the peo-Mississippi, in common with the citizens of the slaveholding States, have been virtually exall lided from their just rights, in the greater portion, if not all, of the vast and rich territories, acquired if not all, of the vast and thus, by unjust was approved of without a dissenting voice. from Mexico in the late war; and thus, by from Mexico in the late war. The late war is a supplied war in the late war in

And whereas, the abolition, by Congress, of the slave trade in the District of Columbia, and other acts of the Federal Government, done and threatened, leave no reasonable hope that the aggressions upon the rights of the people of the slaveholding States will cease, until, by direct, or indirect, means, their domestic institutions are overthrown: Now, therefore. that the proper authorities of the State may be ena-bled to take into consideration the alarming state of our public affairs, and, if possible, avert the evils which impend over us; that the State may be placed in an attitude to assert her sovereignty, and that the means may be provided to meet any and every emergency which may happen:

I. John A. Quitman, Governor of the State of Mississippi, exercising the powers in me vested by the Constitution, do hereby convene the Legislature of this State, and do appoint Monday, the eighteenth day of November next, for the meeting of both Houses of the Legislature at the Capital in Jackson, the seat of government of this State.

In testimony whereof, I have hereunto set my hand and caused the great seal of the State to be affixed. at the city of Jackson, the 26th of September, A. D. 1850, and of the sovereignty of Mississippi, the By the Governor:

Jo. BELL, Secretary of State. J. A. QUITMAN.

SOUTH CAROLINA AND THE SOUTH. The letter of Gov. Seabrook which we published some days since, had attached to it a note not marked as a postcript. and which we did not feel at liberty to make public without further authority, which we now have. The note stated that notwithstanding the reasons given in the letter for reserve and caution on the part of this State, in a certain contingency, which his Excellency hoped would occur, he would speedily summons the Legislature together.

Gov. Seabrook's letter was written before the proclamation of Gov. Towns had reached him. We now add the important movement of the Governor of Mississippi, whose terse and stirring proclamation we publish to-day. No imputation of precipitancy, or now, and we can hardly doubt that under this striking change of circumstances, his Excellency will decide that the reasons for reserve on the part of this State have altogether disappeared, and that the time for the decisive move has come. To hold back now, would look, not like a refusal of leadership, but like a hetraval and desertion of our sister States,-and to such a proceeding we need not say we hold Governor Seabrook utterly incapable for one moment of lending his countenance. To act, when the action of South Carolina could add strength, instead perhaps of weak-ness, doubt and division, to the sacred cause she is pledged to serve,-this, we know well, has been the aim of Gov. Seabrook, and he will not fail to see that inaction now would be construed as pusillanimity rather than discretion. We cannot doubt what his Charleston Mercury. course will be.

MEETING OF THE DEAF MUTES AT HARTFORD. The Graduates of the American Asylum for the Deaf and Dumb-the oldest Institution of the kind in the United States-held a great meeting at the Asylum in Hartford, on Thursday last, to present Rev. Thos. H. Gallandet and Lavrent Clerc, Esq., each a Silver Pitcher, in token of regard for their eminent service in the cause of Deaf Mute instruction. The number of Deaf Mutes present from abroad was about two hundred. The proceedings were highly interesting. Lewis Weld, Esq., Rev. Dr. Hawes, was delivered by Mr. Spofford, and translated for the hearing part of the audience by Rev. Gallandet of the New York Institution; the presentations were cussion. made by George H. A "PHILANTHROPIST" IN LIMBO. A Mr. Charles Boyd was committed to jail in this place on last Sunday charge with tampering with slaves, using incen-diary language, &c. &c. Boyd came here sometime ago from Philadelphia, and has since been in the employ of the Philadelphia and North Carolina Mining and Smelting Company, and has for some time been regarded with suspicion on account of information derived from the negroes. On last Saturday night, at tember, was not concurred in. a camp-meeting, he was overheard by two white men, and his language was such as to justify his arrest, and for want of bail he was committed. The evidence, as we have heard it, will doubtless convict him; but we do not deem it proper to now lay that evidence before the public. He is in the hands of the law, and will, we trust, be dealt with accord-Rutherfordton Banner. ing to his deserts.

We were shown yesterday in the Counting House of Messrs. CHAMBERS and WHITE, South Atlantic wharf, to whom they were forwarded, a few sample pieces of black and grey Cassimeres, manufactured Island factory, in Mecklenburg County, North Car-olina. We think we are safe in asserting that the Our can be imported at the same price from any Northern markets. This manufactory has not been in operation more than two years, but is now well established, and in a condition to meet any demand from our city for goods of its manufacture.

direct from Stockholm, &c. &c. Also whilst absent heard Jenny Lind sing-sat within tour feet of Gennin the Hatter, the man what paid two hundred and twenty-five dollars for his ticket and made money at that; presented Jenny with a riding Cap, thereby rendering himself immortal, us no Lady can ride unless she has on a Lind Cap, and made too by Gennin, precisely as the Ladies generally who have heard of our fame for making "them coats" consider their Lords much handsomer and more fashionable men, when rigged out at the Store where clothing is fashion-

ed by art. To Members of the Legislature, &c. Members of the approaching Legislature in want of Clothing this Winter would save twenty-five per cent if not fifty by postponing the purchasing of their clothing until their arrival here. Be sure and dont mistake our establishment, dont let any body persuade you, that they can do as well by you as we can. Dont suffer yourselves to be humbugged-that is a commodity we dont deal in, and our friends know it. Gertlemen living in this county or out of it, would do well to give as a call, as we are determined to sell cheaper than the cheapest. Persons need no longer complain of high prices. If you want clothing for yourselves, your children or your neighbors, call, we can sell them cheaper than you can buy the goods much less have them made. See Sign.
